BBB Integrity Awards Honor Ethical Business Practices

September 20, 2016– Good Energy Solutions, Inc. received the Better Business Bureau (BBB) Integrity Award at an award ceremony at its office yesterday in Lawrence. Good Energy Solutions, Inc. was recognized with the BBB flame Integrity Award – a crystal and special meals provided by BBB. These Awards focus on demonstrated ethical business practices with key stakeholders including customers, employees and community at large, rather than a company's growth, profitability or popularity. The Integrity Award Winners were chosen by an independent panel of judges consisting of Wichita business leaders and members of the academic community.

"BBB's Integrity Award Winners have shown that ethics and integrity are core values of their organization," said Jim Hegarty, President and Chief Executive Officer, of Better Business Bureau, Inc. serving Nebraska, South Dakota, The Kansas Plains and Southwest Iowa. "The 2016 BBB Integrity Award Winners join an elite group of organizations that realize dealing fairly and honestly with employees, customers and partners are central to profitability and growth. They serve as role models for all businesses in Kansas, and the Better Business Bureau Foundation is pleased to honor them with this prestigious award. "

"We are flattered to receive this prestigious award from the Better Business Bureau", stated Kevin Good, President of Good Energy Solutions, Inc. "This honor represents the high quality of our employees and the ideals that we built our company's foundation upon."
