25 Under 25® Selects Good Energy Solutions, Inc for 2018 Class of Honorees

LAWRENCE, KS December 6, 2017 – Good Energy Solutions, Inc has just been recognized as one of Kansas City’s best small businesses. It’s one of the winners of the 2018 25 Under 25® Awards. Hosted by Thinking Bigger Business Media, the awards are presented to 25 local businesses with fewer than 25 employees. Each winner has demonstrated financial strength, the ability to overcome adversity and challenges, a commitment to the community and a powerful company vision.

“Small businesses are a powerful, but often overlooked force in Kansas City,” said Kelly Scanlon, CEO of Thinking Bigger Business Media and the creator of 25 Under 25®. “Together, these companies employ thousands upon thousands of people, deliver innovative products and services, and help support our government, schools, nonprofits and other public resources. Of course, most of our winners are too humble and too busy to brag about their contributions. But it’s a story that needs to be told. The 25 Under 25® Awards are proud to celebrate the important service of small businesses,” added Scanlon.

An independent panel of judges consisting of area business leaders chooses the winning companies. A complete list of winners can be found at www.25under25.com

This is the 17th year for 25 Under 25®. This year’s honorees will be recognized during the annual 25 Under 25 Gala on Saturday, Feb. 24, 2018, at the Downtown Marriott’s Muehlebach Hotel. Joe and Judy Roetheli, founders of S&M NuTec LLC and creators of Greenies pet treats, will receive the Entrepreneurial Legacy Award, which pays tribute to leaders who have made a lasting impact on KC’s business community. Tickets for the gala will go on sale Jan. 1.
