**Good Energy Solutions, Inc. Awarded
“2016 Top 500 North American Solar Company.”**

Lawrence, Kansas, July 2016 – Good Energy Solutions, Inc., a Lawrence-based solar installer, has been ranked by Solar Power World, the solar industry’s leading business to business publication and source for technology, development and installation among the Top 500 North American Solar Companies. The list is the most recognized annual listing of North America’s top solar contractors working in the utility, commercial and residential markets. Companies are ranked according to influence in the industry in 2015.

“We are really pleased to make the Top 500 list for the second year in a row, and proud to represent the growing solar industry in Kansas,” said President, Kevin Good. “As our business continues to grow, we will keep focusing on providing our customers with the best customer service and the highest quality products on the market.”

Additional Awards for Good Energy Solutions, Inc:

2016: Ranked 1st for “Top Solar Contractors in Douglas (County) by SolarReviews.

2015, 2016: “Foundation Award” by Lawrence Business Magazine and Cadre Lawrence.
