Good Energy Solutions, Inc. Awarded “2017 Top 500 Solar Contractors” by Solar Power World

LAWRENCE, KS. July 25, 2017 – Good Energy Solutions, Inc., a Lawrence-based solar installer, has been ranked by Solar Power World, the solar industry’s leading business to business publication and source for technology, development and installation among the 2017 Top 500 Solar Contractors in the United States. The list is the most recognized annual listing of North America’s top solar contractors working in the utility, commercial and residential markets. Companies are ranked according to influence in the industry in 2016.

“We are really pleased to make the Top 500 list for the third year in a row, and proud to be helping to make the solar industry one of the fastest job-growing sectors in America,” said President, Kevin Good. “As our business continues to grow, we will keep focusing on providing our customers with the best customer service and the highest quality products on the market.”

About Good Energy Solutions, Inc.

Good Energy Solutions, Inc. is a full service energy partner that is able to provide comprehensive consulting and services in electrical, renewable energy, energy efficiency and energy management in the central US region. Founded in 2007, Good Energy Solutions has earned a reputation of reliable service, expertise, and quality through commercial and residential installations of Solar and Energy Efficiency Equipment.
