Good Energy Solutions Welcomes Malcolm Proudfit, CFO/COO

February 7, 2020 – Good Energy Solutions is pleased to announce that Malcolm Proudfit of Lawrence, KS will join the Good Energy Solutions team as Chief Financial and Operations Officer. Malcolm will help the organization with strategic business decisions and planning to help the company continue on its current path of business growth.

Education plus experience in Economics, Finance, and a Masters Degree in Business Administration all contribute to Malcolm's ability to help grow Good Energy Solutions. Kevin Good, Owner, said: "Malcolm comes from a family of entrepreneurs, has solar experience, and is well connected in the solar industry. He already has intimate knowledge of solar financials, solar sales, PV systems, solar modeling tools, and financing products., I'm very enthusiastic about the positive influence he will bring to our organization."

Good Energy Solutions has seen continued growth in the last few years by expanding the residential solar market into Missouri and focusing more on Commercial projects both in solar and electrical. "Together we are helping to change our region of the country, leading the charge to reduce fossil fuel use and helping customers to make their own clean energy and have their electrical needs satisfied with stellar service and care. And as we grow, we can help even more customers by leveraging our expertise and commitment to integrity as an organization," said Good.
