## **Malcolm Proudfit Promoted to CEO of Good Energy Solutions**

**January 18, 2021** – Good Energy Solutions is pleased to announce that Malcolm Proudfit of Lawrence, KS has been promoted to Chief Executive Officer of Good Energy Solutions. Malcolm holds his Master's in Business Administration from the University of Kansas. He also holds Bachelor's degrees in Economics and Finance and brings years of experience in the solar industry.

"Over the last year, as Chief Financial and Operations Officer, Malcolm has brought improvements at Good Energy Solutions in our people and processes, all while empowering change that will enable the continued growth of the business", said Kevin Good, President and Owner of Good Energy Solutions. "Malcolm has earned the position of CEO by helping the company grow and thrive during a pandemic. I look forward to seeing what he can do to steer the organization through the tidal wave that is building in the solar and energy storage industries and supporting our fast growing electrical division" Good added.

"I'm thrilled to have the opportunity to lead this organization. This is an industry I am passionate about, and I wanted to work with the best, which is what led me to Good Energy Solutions. We have an amazing team, and even though we've still got some battle scars from 2020, we are enthusiastic about the future, and ready to get to work. We will seek to continue our growth trajectory so that we can accomplish our mission of providing good, clean energy to those around us", added Malcolm Proudfit.

Good Energy Solutions has seen continued growth in the last several months in electrical services for both the commercial and residential market, increased interest in energy storage, and a boom in the solar industry.
